Hip, hip, hip, hip, hippopotamus  
Hip, hip, hippo eat with us.  
Apples, apples in a tree.  
Hippo, hippo help me.

Hippo, could you climb up that tree and get those apples for me?

Up, up, up goes the hippo. (your turn)  
Up, up, up goes the hippo.  
Up, up, up, up, up in the tree. (your turn)  
Up, up, up, up, up in the tree.

Hippo in the apple tree.  
Picking apples 1-2-3.  
He bounced on a branch.  
The branch broke off.  
The hippo fell and made apple sauce.

Oh no! He fell and squished all the apples!

Apple, apple, apple sauce? (your turn)  
Apple, apple, apple sauce?  
Eat, eat, eat, eat, eat with us. (your turn)  
Eat, eat, eat, eat, eat with us.

Listen now. It's plain to see.  
NO MORE HIPPOS in the apple tree!
