

# TURN THEM INTO SOMETHING NEW

---

Wait! Don't just throw that sweatshirt in the trashcan!  
You know it doesn't go in there.  
Let's see, if we can turn it into a new tote bag  
With a little stitching and some care

I see lots of things that shouldn't be thrown out today  
I've got an idea of a game to play, let's

CHORUS:

TURN THEM INTO SOMETHING NEW  
A little thread maybe a little glue  
Those old clothes that they outgrew  
TURN THEM INTO...SOMETHING NEW!

Ruth: This can, would really make an awesome pencil holder  
I could give it to my mom today!  
Emilia: This sock could be a perfect puppet for my sister  
Let me make it for her right away!

Ruth: We can use this box to store supplies in at your house,  
Emilia: or make a cozy bed for my pet mouse!

REPEAT CHORUS

Oh-Oh-Oh, Oh, Oh, Oh,  
Together there's so much we can do  
Re-using's good for me and you!  
Who knew the stuff that we throw away  
Could make such things today!
