

# THIS IS THE WAY IT SHOULD BE

---

First day of school today, and all my new friends got to play.  
We learned to share our real cool toys, with all the other girls and boys  
We come from diff'rent places but we say..

THIS IS THE WAY IT SHOULD BE, me liking them, them liking me  
Just like a great big family  
THIS IS THE WAY IT SHOULD BE

My friend Hiroko's from Japan, Talia came here from Sudan  
Chen's from China, Juan's from Spain, Anaf's family's from Bahrain  
We come from diff'rent places but we say

THIS IS THE WAY IT SHOULD BE, me liking them, them liking me  
Just like a great big family  
THIS IS THE WAY IT SHOULD BE.

BRIDGE: We know that all of us make up the human race  
And if we work together we'll make earth a better place

Some friends are big, some friends are small, some play music, some play ball.  
Some friends have freckles some have scars, some live close and some live far.  
We come from diff'rent places but we say,

THIS IS THE WAY IT SHOULD BE, me liking them, them liking me  
Just like a great big family  
THIS IS THE WAY IT SHOULD BE.
