

# I'M SMART ON SAFETY

---

I don't play with matches, or pull out electric plugs  
I don't talk to strangers and I always say No to drugs  
I don't go in places where signs say I shouldn't be  
I'M SMART ON SAFETY, safe is how I wanna be

I'M SMART ON SAFETY, I'M SMART ON SAFETY  
I stay away from danger, I'm nobody's fool  
I'M SMART ON SAFETY, being safe is cool.

Now I'd never cross the street without an adult there with me  
I know to dial 911 if there's an emergency  
I don't open up my door 'til mom says it's ok  
I'M SMART ON SAFETY, wouldn't have it any other way.

I'M SMART ON SAFETY, I'M SMART ON SAFETY  
I stay away from danger, I'm nobody's fool  
I'M SMART ON SAFETY, being safe is cool.
