

# CAN'T JANET COME AND PLAY?

---

**CAN'T JANET COME AND PLAY** today is such a rainy day  
We'll be staying inside anyway so **CAN'T JANET COME AND PLAY?**

Oh please mommy and daddy, I'm sorry to bother you  
But I really want to play with Janet, and she wants to play here too.  
I wanna show her some real cool toys, she doesn't have at her house  
I can play with all of her pets, and she can play with my mouse.

## **REPEAT CHORUS**

We can make spaghetti for dinner, and popcorn for an evening snack  
She can bring her PJ's and sleeping bag, so we won't have to take her back.  
She can help me do the dishes, that would be really cool  
And since today is the weekend tomorrow we don't have school

## **REPEAT CHORUS**

I don't have any more chores to do, and my room is super clean.  
You will just love my friend Janet, she's the cutest thing I've ever seen!  
We won't get in any trouble and we will play quietly.  
It really is very important for Janet to play with me, oh

## **REPEAT CHORUS**
