

Dancing in Our PJs

Goodnight sun and hello moon
Another day will be done soon
The bedtime stories have been read
And as we make our way to bed
We're DANCING IN OUR PJs!

Chorus:

DANCING IN OUR PJs, DANCING IN OUR PJs

When morning comes we'll start our day
But other kids real far away
Will brush their teeth to go to bed
But just before good-night is said
they'll be DANCING IN THEIR PJ's

Bridge:

Celebrate the sun that brightens up our day
Celebrate the friends we meet along the way
Celebrate the stars that shine above
Celebrate our families who give us love
DANCING IN OUR PJs

Moms and Dads and grandmas too
Will all sing with me and you
We'll wave our arms and bop around
And as we make a joyful sound
We'll be DANCING IN OUR PJ's
