

Amazing Kids

Music & Lyrics by Judy Caplan Ginsburgh

When I was young,
I knew that I wanted to sing a song.
And as I grew I learned to sing
And have you sing along.

Chorus:
If you dream it, don't just dream it
You can do it if you try.
You can be whatever you want to be.
Cause you're amazing
Yes, you're amazing
You can do it if you try.
You're amazing
Yes, you're amazing
It's a fact you can't deny.

When you are young,
You learn many things
To see what you do best.
And then one day,
You'll discover the thing
You do better than all the rest.

Chorus.....
