12. SO LONG
So long, til tomorrow comes
And the morning sun
Brings a brand new day
Til then, til we meet again
We will sing of a brand new day

Beginning and end
Each day we get together
Has a starting place but then
Time passes by
And then before we know it
It’s time to say goodbye
So we’ll sing

Chorus

Activity Suggestions
1. Use the song as a transition cue to let the children know it’s time to clean up the room, gather their belongings and prepare to leave.
2. Incorporate ‘So Long’ into your end of the year graduation or any parent night program.
