

WE'RE BUILDING A BETTER WORLD

(Words & music by Ellen Allard, copyright 2001;
Adapted lyrics by Steve Blunt, 2017)

We're building a better world,
We're building a better world,
We're building a better world,
One person at a time.

We're building a world with friends, etc.
One person at a time.

And the world goes round & round,
The world goes round & round & round!
And the world goes round & round,
The world goes round & round & round!

We're building a world with happiness, etc.
One person at a time.

We're building a world with kindness, etc.
One person at a time.

And the world goes round & round,
The world goes round & round & round!
And the world goes round & round,
The world goes round & round & round!

Spoken section: see below.

We're building a world with music, etc.
One person at a time.

We're building a world with love, etc.
One person at a time.

And the world goes round & round,
The world goes round & round & round!
And the world goes round & round,
The world goes round & round & round!

SPOKEN:

Hey, let's build a better world, not a bigger wall,
Because walls divide and separate us all.
So c'mon, everybody, now let's join hands,
All around the world, all across this land.

We're gonna build a better world for everyone,
By making friends and having fun.
I'll be nice to you, you be nice to me,
Share the love with all humanity!
We're building a better world, all right!
