

I'll Sing a Song For You

Susan Salidor

I'll sing a song for you
What'll you do for me?
Yes, I'll sing a song for you
What'll you do for me?

Can you clap your hands
Clap your hands
Can you clap your hands for me?

Oh, I'll sing a song for you
What'll you do for me?
Yes, I'll sing a song for you
What'll you do for me?

Can you clap and jump
Can you clap and jump
Can you clap and jump for me?

Oh, I'll sing a song for you
What'll you do for me?
Yes, I'll sing a song for you
What'll you do for me?

Can you clap and jump and spin around
Clap and jump and spin around
Clap and jump and spin around for me?

Oh, I'll sing a song for you
What'll you do for me?
Yes, I'll sing a song for you
What'll you do for me?

Can you clap and jump and spin and sing "la"
Clap and jump and spin and sing "la"
Clap and jump and spin and sing "la" for me?
