

It's Time to Stand Up

Susan Salidor

It's time to stand up
It's time to stand up
Oh, no, no, no. I changed my mind
It's time to sit back down (That's right)

It's time to sit back down
It's time to sit back down
Oh, no, no, no. I changed my mind
It's time to jump up and down
It's time to jump up and down
It's time to jump up and down
Oh, no, no, no. I changed my mind

It's time to rock from side to side
It's time to rock from side to side
Time to rock from side to side
Oh, no, no, no. I changed my mind

It's time to spin around
It's time to spin around
It's time to spin around
Oh, no, no, no. I changed my mind

It's time to shake hands with a friend
It's time to shake hands with a friend
It's time to shake hands with a friend
Oh, no, no, no. I changed my mind

It's time to hop on one foot
It's time to hop on one foot
It's time to hop on one foot
Oh, no, no, no. I changed my mind

It's time to jump and spin around
It's time to jump and spin
It's time to jump and spin
Oh, no, no, no. I changed my mind

It's time to freeze like a statue
It's time to freeze like a statue
Time to freeze like a statue
Oh, no, no, no. I changed my mind

It's time to clap your hands
It's time to clap your hands
It's time to clap your hands
Oh, no, no, no. I changed my mind

It's time to clap and jump and spin
It's time to clap and jump and spin
Time to clap and jump and spin
Oh, no, no, no. I changed my mind

It's time to sit back down
It's time to sit back down
It's time to sit back down
Yes! That's it!
I've made up my mind
It's time to end this song
