

Every Little Bit of You

Susan Salidor

Every little bit
Every little bit
Every little bit of you
Makes me smile
All the while
All the while
All the while
Every little bit of you
Makes me smile

Since you've come into my life
You've taken what's wrong
And made it right
Thank you, thank you, thank you

Every little bit
Every little bit
Every little bit of you
Makes me smile
All the while
All the while
All the while
Every little bit of you
Makes me smile

All my jokes are winning
All of my stories ring true
Thanks to you

Every little bit
Every little bit
Every little bit of you
Makes me smile
All the while
All the while
All the while
Every little bit of you
Makes me smile

(INSTRUMENTAL)

Every little bit
Every little bit
Every little bit of you
Makes me smile
All the while
All the while
All the while
Every little bit of you
Makes me smile

Every day seems new
When I'm holding hands with you
Yes, it's true

Every little bit
Every little bit
Every little bit of you
Makes me smile
All the while
All the while
All the while
Every little bit of you
Makes me smile

Short on sadness
Long on love
You must have the key
To the happiness in me

Every little bit
Every little bit
Every little bit of you
Makes me smile
All the while
All the while
All the while
Every little bit of you
Makes me smile
Every little bit of you
Makes me smile
Every little bit of you
Makes me smile
