

Down to a Whisper

©2013 Tim Seston. All rights reserved.

Hey everybody, we've got something to say
This is the last song we'll be singing today
We'll get softer and softer with each little rhyme
Til we're down to a whisper and we've run out of time.

Repeat until everyone is down to whisper
then repeat by just mouthing the words with no voice

or at the end of a school or calendar year we sing:

Hey everybody there is something I fear
This is the last song we'll be singing all year
We'll get softer and softer with each little rhyme
Til we're down to a whisper and we've run out of time.
