

In Walked James

Let me tell you a story it's an invitation
To learn about James and his big imagination
When he walked into the room he did the silliest thing
He started bobbing his head and he began to sing

He sang, la, la, la, la, la, la, la, la – 1, 2, 3
La, la, la, la, la, la, la, la, sing along with me
La, la, la, la, la, la, la, la – 8, 9, 10
La, la, la, la, la, la, here's a verse again

Well, he walked into the room and he opened up the door
Stood still for a moment and he looked across the floor
All of his toys stopped playing their games
Started clapping their hands x, x, x, x, x, x, x, x when in walked James

CHORUS

Well, James knew a pirate who was really quite mean
And he hoarded more treasure than you had ever seen
But the pirate knew when to give up all claims
Started snapping his fingers x, x, x, x, x, x, x, x when in walked James

CHORUS

Well, James knew a dragon who was 30 feet tall
And he would fly over cities and would burn down them all
But the dragon knew when to cease all flames
Started stomping his feet x, x, x, x, x, x, x, x when in walked James

CHORUS

Well, James knew a gorilla who was acting really wild
Like a tantrum being thrown by a little spoiled child
But the gorilla he knew when to stop and be tame
Started pounding his chest x, x, x, x, x, x, x, x when in walked James

CHORUS

Well, the toys knew when to stop their games
Started clapping their hands, x, x, x, x
And the pirate knew when to give up all claims
Started snapping his fingers, x, x, x, x
And the dragon knew when to cease all flames
Started stomping his feet, x, x, x, x
And the gorilla he knew when to stop and be tame
Started pounding his chest, x, x, x, x, x, x, x, x
When in walked James, in walked James

La, la, la, la, la, la, la, la - 1, 2, 3
La, la, la, la, la, la, la, la, sing along with me
La, la, la, la, la, la, la, la – more of the same
La, la, la, la, la, la, in walked James, in walked James
