Written by: Trisha Cabral © 2016

Catch, catch, catch, catch, da mo'o  
Catch, catch, catch, catch. da mo'o  
He's on the wall  
Ready to fall  
And we're gonna catch them all!

Early in the morning when the sun rise  
I get outta bed look up at the sky  
Pull back the curtain and what do I see?  
Its two momona mo'o staring at me  
Jump outta bed just to see them play  
It's another fun start to a beautiful!

Catch, catch, catch, catch, da mo'o  
Catch, catch, catch, catch, da mo'o  
He's on the wall  
Ready to fall  
And we're gonna catch them all!

Eating my breakfast getting ready for school  
Hear a mo'o... There he is!  
Looking so cool  
Runs around behind me moving so fast  
Chasing a mosquito trying to pass  
Wanna catch da mo'o  
What do I do?  
Darn time to leave put my shoes on too!

Catch catch, catch, catch, da mo'o  
Catch catch, catch, catch, da mo'o  
He's on the wall  
Ready to fall  
And we're gonna catch them all!
