

Song title: **Minou the cat**

Where is Minou?
Minou the cat...
Where is Minou ?
He's under the hat...
Where is Minou?
Oh where can he be ?
Where is Minou?
He's up in the tree!

And what does he do?

He runs around and runs around
all over the ground!
He runs around and runs around
and chases the rat!
He runs around and runs around
he's Minou the cat!
He runs around and runs around
oh where is he at?
