

School Song

Joe Rothstein

Let's get ready for school
Let's get ready for school today

First eat some breakfast [Eat some breakfast]
Something yummy to eat [Something yummy to eat]
Then wash your face [Wash your face]
And brush your teeth [Oooooo]

Let's get ready for school
Let's get ready for school today

Now it's time to get dressed [Time to get dressed]
Put on your clothes [Put on your clothes]
Now put on your shoes [Put on your shoes]
You're ready to go! [Wooooohhh]

Let's get ready for school
Let's get ready for school today

"I'm going to have so much fun at school today!
I'll see my friends
Play with toys
Read a story
Go on the slide
And the swing
And the sandbox
I'm so excited!"

Let's get ready for school
Let's get ready for school today
