I see a green frog
Do you see it too?
I see a green frog
What does it do?
It goes *hop hop hop*

I see a blue fish
Do you see it too?
I see a blue fish
What does it do?
It goes *swim swim swim*

I see a red bird
Do you see it too?
I see a red bird
What does it do?
It goes *fly fly fly*

I see a brown dog
Do you see it too?
I see a brown dog
What does it do?
It goes *run run run*
