

# Opposite Song

Joe Rothstein

---

{Chorus}

Come on everybody  
And sing with me  
The Opposite Song  
Come on everyone  
Join in and sing along with me

*Let's start with big and little  
Elephants are big  
Houses are big  
Bugs are little  
Raisins are little*

{Chorus}

*How about hot and cold?  
Ovens are hot  
The sun is hot  
Ice is cold  
Snow is cold*

{Chorus}

*Let's do one more- wet and dry  
Water is wet  
Juice is wet  
Paper is dry  
Crackers are dry*

{Chorus}

{Chorus}

{Chorus}

Join in and sing along with me  
Join in and sing along with me  
Join in and sing along with me
