---

I have two little eyes  
So I can see, see, see

I have one little nose  
So I can smell, smell, smell

I have two little ears  
So I can hear, hear, hear

I have one little mouth  
So I can talk, talk, talk

I have two little legs  
So I can jump, jump, jump

I have two little arms  
So I can reach, reach, reach

I have two little feet  
So I can kick, kick, kick

I have two little hands  
So I can wave, wave, wave
