

Train Song

Joe Rothstein

There's a train coming 'round
Going all through my town
There's a train coming 'round today

It goes *up up up*, up the hill
It goes *down down down*, down the hill
It goes *up up up*, up the hill again

I can see it on the tracks
Coming closer, oh so fast
There's a train coming 'round today

It goes *up up up*, up the hill
It goes *down down down*, down the hill
It goes *up up up*, up the hill again

Now it turns round and round
Then it makes the choo choo sound [*Choo Choo!*]
There's a train going through my town

Chuga chuga, Chuga chuga, Chuga chuga, Chuga chuga, choo choo
Chuga chuga, Chuga chuga, Chuga chuga, Chuga chuga, choo choo
Chuga chuga, Chuga chuga, Chuga chuga, Chuga chuga, choo choo
Chuga chuga, Chuga chuga, Chuga chuga, Chuga chuga, choo choo
