11) My Day (1:19)

Ding! Ding!
Wake up!

It's time to wake up, it's a brand new day But there's stuff to do before I can play I'll get ready, so I can play

Wash my face
Eat some food
Brush my teeth
Tie my shoes

Now I'm ready to have some fun Gonna' go to school and see everyone Yeah I'm ready to have some fun

Drive to school
Paint a picture
Drive back home
And eat some dinner

It's time now to go to sleep
I had fun, now the day is complete
It's time now to go to sleep
