

Love Bug!

You take your mama's hand
And you spin her around.
You lift her up, if you can,
And then you put her back down.
You hold her tight, with all your might.
You do the Love Bug, the Love bug.

You take your daddy's hand
And you spin him around,
You lift him up, if you can,
And then you put him back down.
You hold him tight, with all your might.
You do the Love Bug, the Love bug.

Put your arms around em,
Rockin' and a rollin',
Swayin' and a realin',
What a happy feelin'!

There is nothing like it
When you take your tyke, and
Rock it, Roll it,
Drop it, drool it,
Love you baby
Don't mean maybe

You take your mama's hand
And you spin her around.
You lift her up, if you can,
And then you put her back down.
It's such a treat, to stamp your feet
And do the Love Bug, the Love Bug!

You take your daddy's hand
And you spin him around,
You lift him up, if you can,
And then you put him back down.
It's such a treat, to stamp your feet
And do the Love Bug, the Love Bug!

Pick your baby up and
Any way that you can
Show 'em than you love 'em
hugglin' and a-snugglin'.

Give a little bear hug
to your little Love Bug.
Kiss 'em, hug 'em,
Squeeze 'em, love 'em,
Tickle, giggle,
laugh, and wiggle!

You take your baby's hand
and you spin her around.
You lift her up 'cuz you can
And you put her back down.
You hug her tight,
With all your might.
You do the Love bug
The love bug.

You take your baby's hand
and you spin him around.
You lift him up 'cuz you can
and you put him back down.
You hug him tight,
With all your might.
You do the Love bug
The Love Bug
You do the
The Love Bug ... Love Bug!
