Getting Dressed

I put my left leg in my pant leg
I put my right leg in the other pant leg
I put my arms in my shirt sleeves
And pull my head through the top

I'm getting dressed, dressed, dressed
I wanna look my best

Socks on, shoes on
Comb my hair
If it's cold give me that sweater
And if it's hot just leave it there

I'm getting dressed, dressed, dressed
I wanna look my best
I'm getting dressed, dressed, dressed
I wanna look my best
