Snack Time

It's snack time
I know you're hungry
It's snack time
I'm hungry too

I wanna eat some crackers
I want a cookie too
I wanna eat a pickle
And I will share it with you

'Cause it's snack time
I know you're hungry
It's snack time
I'm hungry too

I wanna eat a pretzel
Maybe a banana too
I wanna eat an apple
And I will share it with you

'Cause it's snack time
I know you're hungry
It's snack time
I'm hungry too

I wanna eat some candy
I want some ice cream too
I wanna drink some apple juice
And I will share it with you

'Cause it's snack time
I know you're hungry
It's snack time
I'm hungry too

I'm Going (key of D)

I'm going to the potty
I'm going to the potty
I'm going to the potty
And then I will wash my hands
