Clean Down

Ain't gonna clean up no more, no more
Ain't gonna clean up no more
Ain't gonna clean up no more, no more
Ain't gonna clean up no more

Gonna clean down, down, down
Gonna clean down, down, down
Gonna clean down, down, down
Down, down

Gonna clean down, down, down
Gonna clean down, down, down
Gonna clean down, down, down
Down, down
