All I'd Do Is Play

We're playing together on the playground
Digging in the sandbox with a cup
We're running all around
We're falling on the ground
Just playing a game that we made up

If I had my way
All I'd do is play
If I had my way
I'd play, play, play, play, play

We're playing together inside now
We came in cause it started to rain
Playing hide and seek
Count to ten and do not peek
Once you find me, we will play again

If I had my way
All I'd do is play
If I had my way
I'd play, play, play, play, play

We're playing together on the playground
It stopped raining and out came the sun
Hey, we know how to play
We do it every day
Come on let's see how fast you can run

If I had my way
All I'd do is play
If I had my way
I'd play, play, play, play, play
