Ready For Dinner

My brother, my sister
My mom and my dad
All here together
And I'm so glad

Ready for dinner
Ready for dinner
Take a load off your feet
Come to the table and have a seat

Dinner is gonna be ready soon
I've got my napkin, plate, glass,
Fork, knife and spoon

Ready for dinner
Ready for dinner
Take a load off your feet
Come to the table and have a seat

Salad, bread, pasta, vegetable stir fry
For dessert we'll have
cupcakes, ice cream,
Cookies and pie

Ready for dinner
Ready for dinner
Take a load off your feet
Come to the table and have a seat

At the dinner table
At the dinner table
At the dinner table
At the dinner table
At the dinner table
It's time to eat
