

# I Love My Body

I love my body, day and night  
I love my body, you know I'm gonna treat it right  
I love my body, from my fingers down to my toes  
I love my body day and night, from my head to the tip of my nose.  
head to the tip of my nose. 2x

I love my body, skinny and round  
I love my body, pound for lovin pound  
I love my body, ankles up to my knees  
hips that swing left and right, arms blowing in the breeze  
I even love it when I sneeze, arms blowing in the breeze (ha-chew)

I love my body, so I dance with delight  
I love my body, you know I'm gonna treat it right  
Two eyes always blinking, and a mind thats always thinking  
Love my body day & night, ya know I'm gonna treat it right (2x)

You know I'm gonna treat it right (3)

Oooh I love my body, the dreams when I sleep  
I love my body, chew chew chew when I eat  
I love to watch my wrists and elbows bend  
I love to wave my hand when I see a friend  
Wave when I see a friend 2x

I love my body, from my waist  
I love my body, when I jump jump jump in place  
Clap my hand, dance around, stand real still  
Shhhh don't make a sound..... 8x

I love my body, day to night  
I love my body you know I'm gonna treat it right  
I love my body/from my fingers to my wiggley toes  
I love my body day and night from my head to the tip of my nose.  
Fingers down to my toes, and that's how it goes  
You know Im gonna treat it right (3x)
