

Johnny Cash Cooking Song

Flour, sugar, eggs and salt
If I make a mess it's not my fault
I'm just doing what I've seen done
Cooking cookies can be fun!!

I'm the cook today
making it my own way!
Got a spoon, bowl and a whisk
Got a batch of cookies on my list

Um um um um yum - Watering my tongue
Um um um um yum - Cooking cookies can be fun
Um um um um yum - Hey let's sing along
Um um um um yum to the Johnny Cash Cooking song

Chocolate morsels one by one
One for the bowl one for my tongue
I'm just doing what I've seen done
Cooking cookies can be fun!!

Stir them in - all from scratch
Plop them down - make a batch
A little butter on the sheet
Into the oven - tap to the beat

Um um um um yum - With cookies almost done
Um um um um yum - Smelling cookies can be fun
Um um um um yum - Man in black can't be outdone
Come on sing along to the Johnny Cash cooking song

I can hardly wait — I sing -
Boom chicka Boom when I hear a ding
Lost in a cookie trance
Doin' a Happy cookie dance

Um um um um yum - One by one two by two
Um um um um yum - Clean up time and were all through
Um um um um yum- Man in black can't be outdone
Come on sing along to the Johnny Cash cooking song

Um um um um yum - Mama Cash can't be outdone
Um um um um yum to the Johnny Cash cooking song
