

Hopscotch

Music & Lyrics Darryl Boggs Lyrics Wendy Morgan

Hop, jump, hop jump, hop jump (2x)

It's a blue sky, all day long
Walking outside singing my song
When I see something on the ground
Look it's a chalk that I just found
that's it Hopscotch - yea playing hopscotch
doin the hopscotch - yea playin hopscotch doo oh doo

Pick up the chalk from the sidewalk
looking down- make shapes on the ground
This is a game as old as a rhyme
Hop Jump Hop Jump in time
doin hopscotch - yea playing hopscotch
doin the hopscotch - yea playin hopscotch doo oh doo

(Hop jump, hop jump hop jump) oh look out

A ladder of squares all head up
Mighty semi-circle at the top
Number the squares 1 - 2 - 3 - 4
5 - 6 - 7 - 8 sometimes more
doin hopscotch - yea playing hopscotch
doin the hopscotch - yea playin hopscotch doo oh doo
(Hop jump, hop jump, hop jump) oh here we go!

Get a bean bag something with weight
Toss it in a square - jump - jump straight
jump - hop - jump - hop with friends
Hop jump Hop jump the fun never ends!

(Hop jump, hop jump, hop jump)

doin hopscotch - yea playing hopscotch
doin the hopscotch - yea playin hopscotch doo oh doo
(Hop jump, hop jump, hop jump) Oh come on everybody, let's do the
hopscotch!

(Hop jump, hop jump, hop jump) (until end)
